Enhance Personal Understanding through Bible Personalities

Based on *DiSC® Classic*, the *DiSC Biblical Personal Profile System* provides individuals with practical, personalized feedback on their preferred behavior approaches and offers insight into the behavior of others. This one-of-a-kind instrument explores the personal DiSC profiles of positive Biblical characters and refers participants to relevant scripture passages. Ideal for use in Christian religious education settings and Bible study classes, the *DiSC Biblical Personal Profile System* increases self-awareness and enhances understanding and appreciation of the lives and stories of key personalities from the Bible.
